Madam/Sir:

Thank you so much for your interest in sponsoring Golf FORE the Cure: Kieth Wallace Memorial Golf Outing. The proceeds of the event will be donated to a local individual who is currently fighting cancer.

As I'm sure you can imagine, fighting cancer takes such a huge toll on families. To name just a few of their struggles: missing work for treatment, not enough sick or vacation time to make all of their necessary appointments; a lack of insurance coverage for expenses, side effects of the treatments, and so much more

*While we can't give them our strength, we can lighten the load with their medical bills.*

Last year we were able to raise over \$6,000 and plan to raise even more this year, which could go a long way to helping this family. Please help to make this event a memorable and successful one. Hopefully, together with your support, this annual event will bring the community together as well as raise funds for this important cause every year. Please see the attached sheet for our list of available sponsorship levels. Your contribution means a lot.

Thank you for your time. I'm looking forward to an exciting day of golf and am eager to discuss with you in what way you can help in support of the community and cancer research and education. I look forward to hearing from you. Please contact me at 224.406.5086.

Sincerely yours,

Garry Kiekens
